About The Friends of Rendcomb College

The Friends of Rendcomb College was founded in 1984 by Vice-Admiral Sir Louis Le Bailly, then Chairman of Governors. It is a registered charity (Registered Charity no. 290373) and its accounts are kept entirely separate from the College.

The Friends aim to establish bursaries and scholarships for boys and girls from local primary schools who otherwise might not have the opportunity of a Rendcomb education and to provide support to families currently at Rendcomb who find themselves in times of crisis. The Trust Deed is not constrictive and has also enabled the charity to support the College with infrastructure projects that support student learning.

These aims are concurrent with Founder, Noel Wills' vision for the College: to provide a good and broad education in attractive and stimulating surroundings to young people regardless of background and income.

Our Support

Since its inception, the Friends of Rendcomb College has ensured that many students have enjoyed an excellent start to their education. The Friends of Rendcomb College has funded student education at Rendcomb and capital projects to enhance educational facilities at a cost of over £420,000.

In the last 5 years The Friends of Rendcomb has:

- Contributed more than £77,000 to bursaries and fee support helping 15 families receive a Rendcomb education.
- Donated more than £38,000 to fund educational development through the purchase of equipment such as:
 - Two Yamaha grand pianos;
 - DNA sequencing machines for the biology department;
 - All-weather astrotrurf pitch.
