Dear ORs,

The OR Society committee look forward to welcoming you on Sunday 21st June. We expect over 600 people to attend, so please be mindful that it is everyone's special day. Registration desks are on the **Asphalt**. Please sign in at the desk for the **decade** your year left in the **sixth form**. Parents, please sign in at the decade desk your children left the College.

Each decade is colour coded. Once signed in, please make your way to Clock Hall for refreshments and merchandise. The cakes have been made by Jane, so any donations for the future of the OR Society shall be gratefully received. Then please proceed as quickly as you can to your **decade's zone** to meet up with your contemporaries.
